A Glimpse into Agricultural Progress:

Highlights from Agri Innovate Fair 2024

Prepared by:

Manipur Tecnology Inovation HUB (MTI-HUB)

Agri Innovate Fair 2024

Date : 25th May, 2024

Venue : South Asian Institute of Rural and
Agriculture Management (SAIRAM),
Lamjing Acouba, Imphal West

Organized by :

Experiential Learning Programme
(ELP) Students of SAIRAM (2023-24)

Overview

The **Agri Innovate Fair 2024** was a significant event that showcased the latest innovations and products in agriculture, organized by the **Experimental Learning Programme (ELP)** students of SAIRAM. The fair included a wide range of stalls featuring farm products, byproducts after value addition, and handloom and handicraft items.

Inaugural Ceremony

Speech by Guest of Honour:

Speaker: **Dr. Th. Nandita Devi**,
Principal, TS Paul Women's College

Key Points:

- Emphasized the importance of agriculture to society.
- Highlighted the socio-economic impact of agricultural practices.
- Encouraged embracing innovation and excellence in farming.

Speech by Chief Guest:

Speaker: **Dr. RK Nimai**,
Retd. IAS

Key Points:

- Discussed global innovations in agriculture.
- Stressed the importance of soil fertility monitoring.
- Praised the diversity and quality of products showcased in the stalls.

Stalls and Exhibits:

The fair featured numerous stalls that highlighted:

- **Farm Products:**

Fresh produce showcasing sustainable farming practices.

- **Byproducts of Farm Products:**

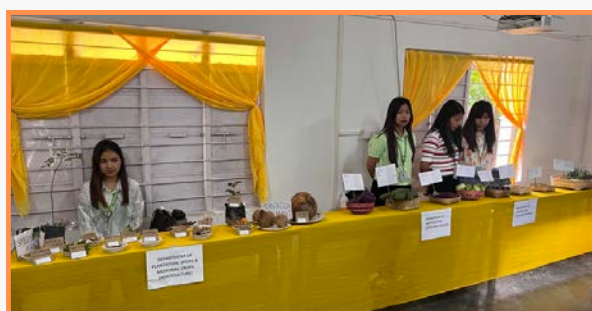

Value-added products demonstrating innovative processing methods.

- **Handloom Products:**

Traditional and contemporary handloom items, reflecting cultural heritage and craftsmanship.

- **Handicraft Products:**

Handmade items showcasing artisan skills and the use of agricultural materials in crafts.

Highlights and Activities:

- **Networking Opportunities:**

Facilitated interactions between farmers, students, researchers, and entrepreneurs.

- **Product Demonstrations:**

Live demonstrations of the use and benefits of various products.

Expanding Horizons and Networks:

The **Agri Innovate Fair 2024** provided exceptional opportunities for participants to establish valuable connections and expand their professional networks through the support of the MTI Hub. This platform enabled farmers, researchers, students, and entrepreneurs to engage in meaningful dialogues, share knowledge, and explore potential collaborations.

The presence of esteemed guests and the diversity of exhibits underscored the event's importance in fostering innovation and community engagement. Attendees left the fair with new insights, connections, and opportunities to contribute effectively to the agricultural sector's growth and development.
