MANIPUR TECHNOLOGY INNOVATION HUB

INTRODUCTION

On April 18, 2024, Doordarshan Kendra Imphal (DDK Imphal) embarked on an insightful journey to delve into the heart of Manipur's burgeoning entrepreneurial landscape by visiting the Manipur Technology Innovation Hub (MTI-HUB). The primary objective was to unravel the intricacies of MTI-HUB's operations and its profound impact on fostering innovation and entrepreneurship in the region. This report encapsulates the essence of the visit, showcasing interviews with key stakeholders and a vibrant display of innovative products by startups nurtured under MTI-HUB's wings.

UNVEILING MTI-HUB:

AN INTERVIEW WITH DR. RAJIV KANGABAM

Dr. Rajiv Kangabam, the esteemed Lead of MTI-HUB, graciously shared profound insights into the incubation center's overarching mission and its multifaceted support ecosystem for budding entrepreneurs. Dr. Kangabam elaborated on the diverse array of resources and opportunities available at MTI-HUB, ranging from funding avenues and mentorship programs to state-of-the-art infrastructure facilities and networking platforms. His articulate narration illuminated how MTI-HUB serves as a transformative force, nurturing startups and instilling in them the confidence to embark on their entrepreneurial journeys.

SPOTLIGHT ON STARTUP SUCCESS:

INTERVIEWS WITH ENTREPRENEURS

During the visit, Doordarshan Kendra Imphal had the privilege of engaging with eight dynamic startups nurtured under the wings of MTI-HUB. Each startup shared their unique journey, shedding light on their challenges and the invaluable support provided by the incubation center.

One startup recounted their humble beginnings, navigating the complex terrain of entrepreneurship with determination and resilience. They spoke of the initial hurdles they faced and how MTI-HUB's mentorship and guidance helped them overcome obstacles and realize their vision.

Another startup highlighted the transformative impact of MTI-HUB's support on their growth trajectory. They emphasized the importance of access to funding opportunities and mentorship programs, which played a crucial role in shaping their business model and scaling their operations.

Several startups echoed sentiments of gratitude towards MTI-HUB, emphasizing the nurturing environment and collaborative ecosystem that fostered innovation and creativity. They credited the incubation center for providing a platform to connect with like-minded entrepreneurs, share experiences, and learn from each other's successes and failures.

Overall, the interviews painted a vivid picture of the vibrant entrepreneurial spirit thriving within MTI-HUB's ecosystem. From overcoming challenges to seizing opportunities, each startup's journey exemplified the resilience, creativity, and determination that define the entrepreneurial landscape in Manipur.

OCTOBER PUMKIN - MS. RINCHON KASHUNG

MISTY HILLS - MR. ALEKS VASHUM

MAYON AGRO PVT LTD - MR. PREMJIT OKRAM

GENERATION NET NUTRITION PVT LTD - DR. GENERAL THIYAM

CHANKORB PVT LTD - DR. ATOM ANNUPAMA

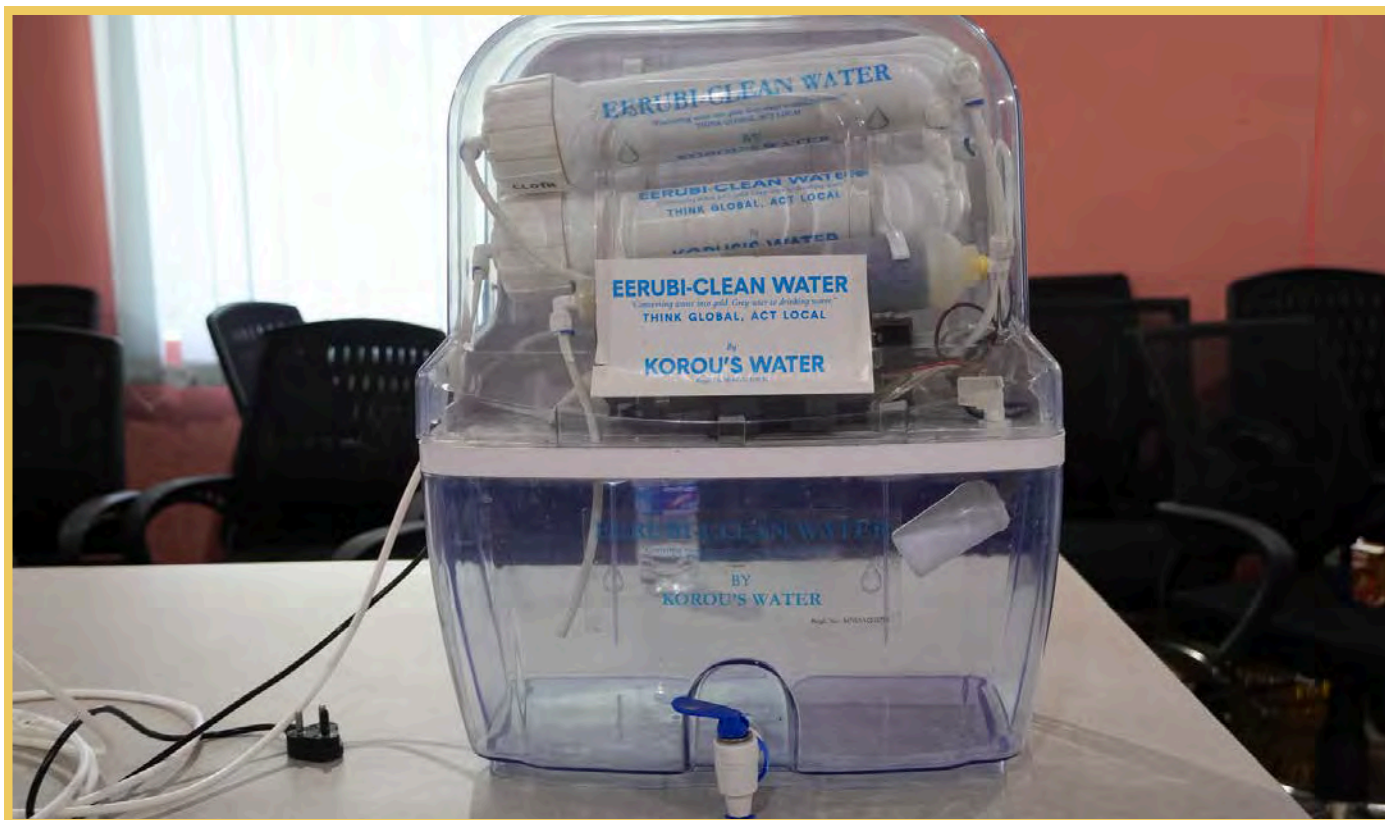

INNOVATIVE SHOWCASES:

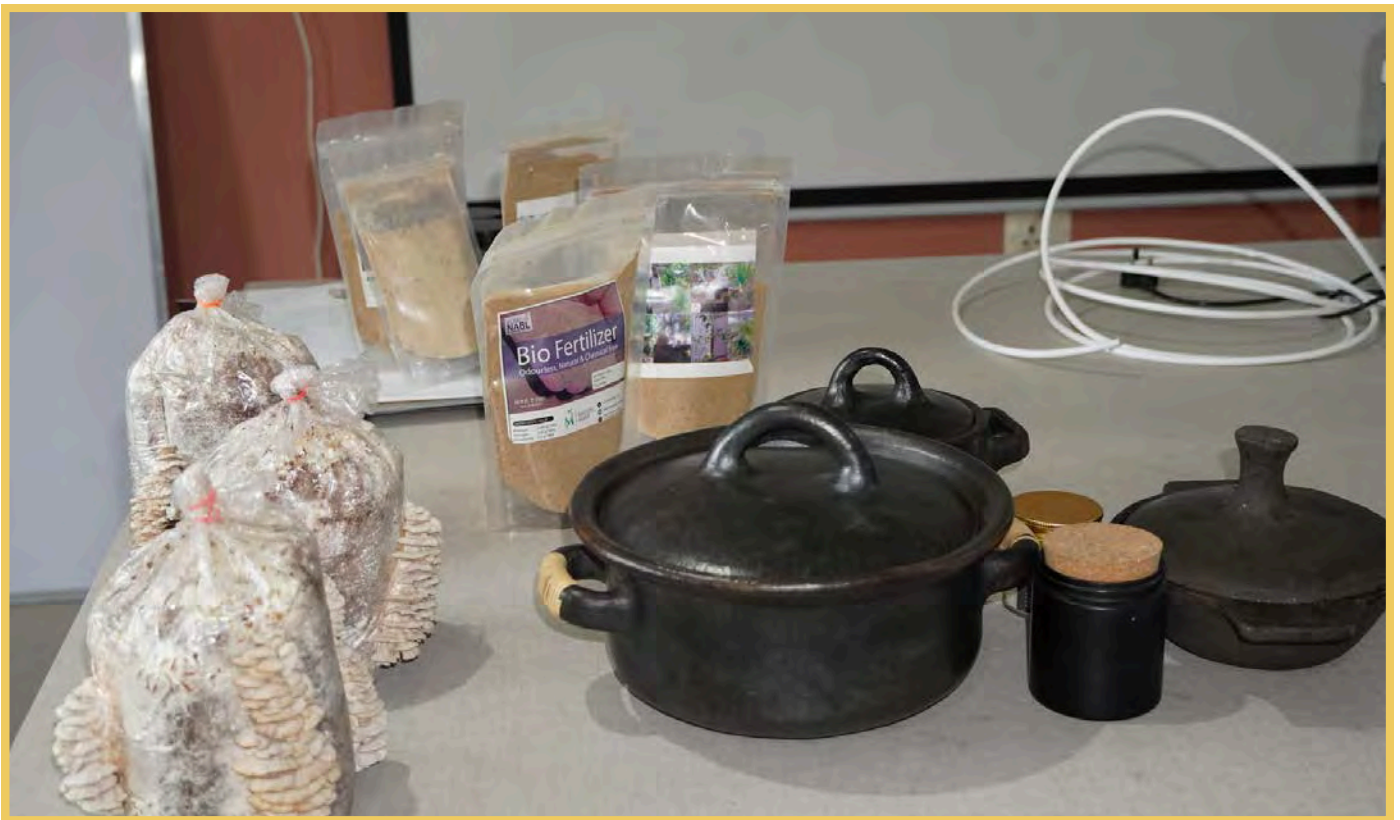

HIGHLIGHTING ENTREPRENEURIAL CREATIVITY

The visit culminated in an engaging product showcase, where startups had the opportunity to unveil their innovative creations. From agro-based products to cutting-edge technological solutions, each exhibit was a testament to the creativity and ingenuity fostered within MTI-HUB's nurturing environment. The product showcase not only underscored the tangible outcomes of MTI-HUB's support but also highlighted the transformative impact of entrepreneurship on socio-economic development in Manipur.

CONCLUSION:

NURTURING TOMORROW'S INNOVATORS

In conclusion, the visit by Doordarshan Kendra Imphal to Manipur Technology Innovation Hub provided a profound glimpse into the transformative power of entrepreneurship. Through insightful interviews with key stakeholders and a captivating product showcase, the visit underscored the pivotal role played by incubation centers like MTI-HUB in driving innovation, fostering economic growth, and empowering the next generation of entrepreneurs in Manipur. It is evident that MTI-HUB's holistic approach towards nurturing startups is instrumental in shaping the future trajectory of entrepreneurship in the region.
