**LETTER OF APPRECIATION**

**Dear Rajiv Kangabam,**  
LEAD. MTI – HUB, Mantripukhri.

On behalf of the Department of Science and Technology, I want to express my heartfelt appreciation & gratitude to the team of Manipur Technology Innovation Hub (MTI-HUB) for your invaluable support and wholehearted collaboration as a knowledge partner during the recently held first ever edition of the **INNOTECH FEST 2025**.

Your commitment, expertise, and generous support played a crucial role in making the event a grand success. Your contributions not only enriched the experience for participants and attendees but also significantly uplifted the quality and reach of the FEST. The insightful sessions, technical mentorship, and innovation-driven engagements your team provided were truly commendable and greatly appreciated by all stakeholders.

We deeply value your dedication towards promoting innovation, providing mentorship for a youth-led technology development. It is through partnerships like yours that such platforms become catalysts for progress and inspiration for future innovators.

Once again, thank you for your hard work, enthusiasm, and continued support. Looking forward to more fruitful collaborations in the years to come.

**Warm regards,**
